“ I am so honored, so grateful and blessed to have been privileged to be one of Mother Addie's adopted daughter's. Her unconditional love, guidance, strength and wisdom so greatly impacted my life. Her unwavering faith, her obedience and trust in God and doing his Will were always exhibited. In all aspects of her life, she demonstrated that God is in control. Her love of God and family and friends, her sweet and gentle nature, her resilience and her resourcefulness are attributes I admire about her. She truly was a gift from God who brought so much Joy to my life. For more than fifty years , her German chocolate was my favorite birthday gift. I will treasure and cherish the precious memories she created. Your first Christmas with Jesus. I know that you are rejoicing. Merry Christmas. I love you always
