“ Angie words can’t even begin to express how much of a loss this is!! You was the homie “YURRR” The sister I never had! You taught me so much especially how to earn my respect! You were the best titi my kids could have asked for! You were there for them like they were your own! I’m the only friend that had the blessing of living with you and seeing you be the most vulnerable part of yourself! Our troops and memories will not be forgotten I’m sorry I’m unable to be there in person today but you know my heart baby!! Jade and Jon will always be taken care of you will never have to worry about that! I love you girl love it up with the big guy I’ll see you soon!
