“ *You have been my best friend for so many years and I was looking forward to meet you that Friday to go out to eat with you and Nanette then I get a call that you had passed. Sunday my daddy came to Heaven to be with you at 1:00. I am so sorry that I am not going to be there for you tonight. You are always in my thoughts. Tomorrow is your service and so is my daddy's. I will miss you so much and miss the talks we use to have. I will see you one day when I come to Heaven. I love you. ..❤️*
