“ I remember watching an episode when Tiny set Precious up on a date. Precious, being the woman she is thought it to be so humorous where she couldn't stop smiling. On her date she couldn't stop laughing, and that's how I remember her always smiling and giggling. Precious you will truly be missed but your warm smile and giggle will always be remembered. RIH!❤️❤️❤️❤️❤️

“ My deepest sympathy to the Chapman and Harris Families. Precious was an incredible person, me and my children had the pleasure of meeting at school functions. The kids went to school together. We had a few good conversations that still remain in my mind. Rest in Heaven. You are truly an angel. Thank you for being a friend and Thank you for telling my daughter how blessed she is to have a father at each and every event supporting her. You truly made life easier for people. REST IN HEAVEN,

When I told her that I was a veteran, she thanked me for my service. We continued to talk and we found out that we were Soror's. We talked about our health and I even got her to support my book on FB. I know that she had a peaceful journey and my condolences go out to her family.
