“ Uncle, I still can't believe I am writing a tribute because of your passing. Words cannot describe this difficult moment, but if this is the last time I get to say goodbye then I know I will do so with the knowledge that I consider myself blessed to have lived this life as your nephew. You have left a void in the family that will never be filled. While we mourn today, we also take comfort in the fact that your mission on earth have been fulfilled. We thank the Lord for your life and bid you farewell until we meet again.
Your Nephew
