“ Words cannot express how I feel about this great man that we have lost. We talked every week if I didn't call him he called me and ( he would tell me Debbie you need to get rid of that phone you don't answer it) after he would fuss for a minute he would ask how I was doing and he would always say Debbie take care of yourself even while he was sick...Lord knows there is a void in my heart that is deep but I know God needed you more than we did and he came and gave you your wings.. Fish on uncle Fish on until we meet again.. love you....
