“ *Barbara and I met around 1975. We remained friends until her death. We shared so many memories; our marriages, the birth of our children, the joys of life and even the loss of love ones. My heart is heavy and words can't truly express my sorrow. However, I know to be absent from the body is to be present with the Lord and that one day we will meet again. To Cliff, her children, grandchildren, and siblings may the Lord sustain you all thru the difficult days ahead. My family and I will continue to keep you all uplifted in prayer. I love you Barbara and I will forever cherish your memory.*

“ (Aunt) Barbara and my late Mom were best friends from 1977 until my mom’s passing in 2016. To be honest, Aunt Barbara was the only earthly connection I had left of my Mom. I cannot think of one without the other. Class, sophistication, beauty, grace, love and kindness embodied her. Every conversation/text would end with “I love you”. I knew how hurt she was when Momma passed. I gotta believe that they are laughing and hugging once again. All of my love from Seattle to Raphael, Courtnei, Mr. Nurse, Jig, Dollie and the entire family.

With a heavy heart...
