“ Benjy was just an all around great guy. He participated in research studies I was coordinating at Shepherd. He always made me laugh and helped me recruit some of his friends into studies too which helped me. Funny thing, I remember him inviting me to join Facebook in 2009. At that time I had no idea what it was. I have reconnected with so many people through FB and I have Benjy to thank for that. He was always so happy to tell me about his family. I will be praying for all of them and send them lots of love in their time of sorrow. Benjy had a big heart and beautiful soul. Rest In Peace my friend.
