“Late birthday love to you MISSING YOU MOM BETTY. So thankful for the Saturday’s brunch and shopping. The mother daughter conversations. Whenever I think of you I laugh, I cry but most of all I smile for being in your presence brought me great joy. Love you to the stars and heaven above. Love your other daughter as you often called me. Rubi

“Momma we miss you I miss you so very much, I miss being able to call, visit, go out eating or just sitting on the back porch talking. Not only do your baby girl miss you momma I love you even more. Guess what you have a new great grandson name Ki’el Prince Wilson momma, he’s so precious with big eyes just like Endia and Elijah had as babies. It’s been rough momma very hard without you. Just wanted to talk to you and tell you I love you. This video makes me so very happy. Always love you
