“ Prayers are being lifted up to the heaven doors for my family it was definitely heartbreaking receiving the news of the passing of Auntie Beulah it's hard to say goodbye to my only paternal auntie as a child I always idolize her she was always such a strong woman that truly stood her ground and loved her family after the loss of our dad (her brother: Vick) my brother would faithfully visit her I can still hear her say " Every time I think of yall , yall come." Rest in heaven auntie until we visit again.

“ Prayers and heartfelt sympathies are extended to our family for the loss of Aunt Beulah. She was a woman who did numerous extraordinary things in her life. So many fond memories remain with me of what was learned from her especially during the early phases of my life. She deeply loved all of her children, grandchildren, nieces, and nephews as well as her entire family. She was an outstanding Aunt who will always be remembered.
