“ *It was a pleasure working with Letha. Letha always had a smile on her face no matter how gloomy things may seem. Letha was just so laid back. It is hard to believe that such a young soul has gone home to heaven. I send my condolences to her family especially her children Kerrigan and Isaiah* ”

“ My prayers go out to all members of her family. I have known them since the early days of my teaching and coaching career. Both Letha and Jess played on my first basketball championship team. To this day I still call them my dream team. Now I have the pleasure to teach and coach Letha's daughter. That will always be very special to me. I thank God I had the pleasure to be a part of her and her family's life. RIP.
