“ *Auntie,
I thank God for allowing you to be with us for these 82 years. Not only were you a blessing to anyone that you came in contact with, but you never held back what you had to say. I will never forget all the things that you shared with me at the hospital or the house. One thing you kept saying was to take care of my brother and how much you loved him. You also talked about the love you had for your children, and especially your grandchildren. You have my word that your brother Homer Jr. will be okay!!*

We love you so much, and your legacy and many memories will never be forgotten.

Love always your great-niece,

Minister Holden
