“ *I met her when I was only 9 years old which was 17 years ago. I went to her daycare where I only knew her by grandma. She was such a sweet spirit and left an impression on me that I remember even after all these years. I send my condolences to the family who I know will miss her more than anything.*

“ My beloved sister, our spirits were always together. From the day we met at Trust Company Bank (now SunTrust) We loved each other as sisters, shared our thoughts, comforted each other and laughed with each other. We had fun and sad times together and she knew she could call on me anytime. See you in eternity my friend.

“ Although I know the family and friends of Christine will miss her I know she is with our Lord and Savior. I am happy she is relieved of all pain and hurt. Thank you for sharing such a loving woman. Christine and I worked together at Cohen for many years and each time I saw her we always had fun and interesting talks. She was like a sister as well as friend. I loved her and will truly miss her. May God strengthen and keep you as you go through this valley. She always shared her love for her family. God bless you all.
