“ Lil Bit will be remembered for her joyful spirit and the love she had for family and friends. Lil Bit was always willing to help others. During the past few months of her life, she wanted to get back to church. It is my prayer that God will grant the family peace and comfort during this time of bereavement.

“ Rest in Peace to a phenomenal woman! I will always remember her for her quick wit and comebacks, and for making the best vegetable soup and PB&Js in the world. She was like a second grandmother to me growing up — I won't ever forget her picking DJ and I up from Carver Middle. Sending prayers to her son, daughter, and grandson during this difficult time.
