“ I am so saddened by the revelation that David is now gone. He was one of the first friends I made when I was hired at Western Electric in 1981. He was a very wise and clever man, and we had an opportunity to work many years together. He will certainly be missed by me and many others at the Atlanta works.

“ *My Dear Beloved Uncle.*

To you who taught me how to ride my first bike without training wheels.

To you who taught me that when I fell down roller skating to just get right back up and keep trying.

To you who had me believing that you could fly like superman until I was old enough to reason otherwise.

To you who taught me the love and protection an uncle as only you could have.

Though my heart aches at the thought of your absence from this earth, I know that you are now in the presence of the Lord that you love and in His presence there is the fullness of Joy.

Rest well my uncle and know that your memory lives on as does the love you bestowed upon us and graciously received in return from us all.

SOAR HIGH INTO THE HEAVENS SUPERMAN!!!

Love you always.

Rosmary.
