“ Setting here..... beyond devastated....I am trembling as I type. There are a few ladies I consider like a “sister “..... Denise was one of them. 🥹🥹🥹🥹 I mean.....ain’t NEVER been a time I called for a favor or to present a problem I had and she acted like the “big sister I never had”. This is hitting my soul hard.... God Forgive me as I am mad you took her.... When I said THIS chick had my back and I did the same!!!! Cancer sucks💔

*There WILL never be another! I meet her in 2005 and instantly became best friends. She wouldn't allow me to come with her to chemo because she would say “ girl you have a whole husband and kids that needs you more”. We would argue because she wouldn't give me her treatment schedule 💔💔💔💔*

*Girl they DONT make them like you anymore.... Even when I shared my bucket list with you.... You went to bat .... Calling this person and that person to make it happen !!!!! My word tells me “To be absent from the body IS to be present with the Lord”.... I know you are in heaven.... Showing mansions..... I will forever love you and miss you my dear angel 🥹 Denise Thomas*

“ Denise’s time on earth was just a blink of an eye, way too short, approximately...

772 months

3360 weeks and 6 days

23,526 days

564,624 hours

33,877,440 minutes

2,032,646,400 seconds.

How she put others needs before her own is what I will remember the very most about this selfless Sister.

So very grateful that I got to spend some of that time in her life.

Thank you Denise for who you were and for sharing yourself with all of us.

Rest in Peace,

Zandra Matthews
