“ To Tim Red and the Grandchildren
May the God that we serve watch over you and give you peace that surpasses our understanding.
Diane was my Sister. She did so much for so many.
God has the final say
Prayers continue for the family
Diane would always lift her head to the sky
Think she would say..God you Got this!

“ You were the first person to befriend me when I moved onto Palmetto St. I will always remember the evenings spent on your front porch talking “old school” music and sharing tall (very) tales that we’d heard growing up. You honored me when you said we were “sisters from different mothers.”
Thank you, sister for standing with me when I needed a friend.
God bless Tim and Red and my great nieces and nephews.
