“ I worked closely with Dionne at Westat and she also made several cakes and desserts for my events. It was such a pleasure working with her. I'm deeply heartbroken but God! Sending love & condolences to her beautiful children and family.

“ Dionne, you will be sorely missed. My condolences to the Family. I have so many fond memories but the one I'll mention here is when she was announcing her new title as Glam-Ma. She was trying to figure out how she wanted to spell "her" baby's name and when she figures it out she'll let me know but for now she would call him Baby T. I gave her so many suggestions with my name being the first choice, but with a "y". She laughed and politely said, hmmm. Then she said she would like to call him (Tori/Torry) and she wanted his name to be spelled as T-O-R-R-Y-E. She was so thrilled to see and meet him and she could not wait to show him off. I was thrilled for her and I felt as though I was having a grandson too. She would say he had 4 grandmas, his mom and dad's mothers, and Me and Bella. Dionne, I loved you like a Sister friend and we miss you still.

“ *I met Dedee as the older sibling of Sadie's children leading her siblings to church for a special function or rehearsals. As a teenager she loved and helped her mother care for her brothers and sister. And when she began her own family, she showered even more love on her beautiful daughters. Dedee will always be remembered for her kind and loving spirit.*
