“ My good friend Mr.Donald Goods and my Cousin., "You will be truly missed here in Monroe,Georgia."Your smile and your love to keep anyone laughing is a amazing gift."First I want to express my warmest condolences unto your mom and sister."God is still in control and he will never ever leave us alone."Believe that during these times of losing a brother are even any Family Members do hurt."But remember that everyone always needs someone to be with them during this time of losing a son."Just keep believing and asking the Lord Jesus to mend the hearts and minds of the Goods Family."Truly God doesn't ever make any mistakes."So stay present before God."Lean on him and not your own understanding.He will give you so much Guidance and direction."And the Lord will lighten your heavy burdens."And Just as you are sad and asking God why?","We don't have all the answers."Whether we are Wounded and cannot see."Let God Holy word wrap his amazing arms all you."Because if you hold on to God Holy word."He will give you nothing but his redeeming powers to overcome this too."This pain of missing a love one and trying to figure out why!"There is no answer that I can give."Only no that everything does work for your good."Just hold on unto the love of God always."Again I am so sorry for your loss."
