“ Tracy and Michael, I'm so sorry for your loss. Doris has been a part of our family since I was little. She always looked after me as if I were her own child. She always made me laugh growing up and also up until our last phone conversation last weekend. My mom and dad thought the world of her. She was always there for my parents whenever they needed her. She was a very dear friend of our whole family and will be missed greatly! I will definitely miss our phone conversations. I always loved her laugh. RIP Doris we love you

“ Doris was like a part of our family when we have Family dinners, birthday dinners or family gatherings at my late Aunt Morden Glover house who lived in her neighborhood. Doris is going to be missed by her friends and neighbors in Oxford community. Rest in God's Arm's Doris Johnson 🙏
