“ I met Earl about 24 years ago, at a Family Reunion with Grady Broughton. I got to learn a lot about the Broughton 's family history and my grandmother's roots; her name was Mamie Lue Broughton. I use to call him for information, and when I would tell him I found information he would always tell me to bring it to the Family Reunion to make sure I would come. He told me once how much he loved having the Broughton's Family Reunion I hope it continue in his remembrance. I will miss him and his wisdom.
