“ Liz, was a Wonderful Loving and Caring Lady! I have known her for almost all of her Life! She was one of my Work Associates for a number of years at Oxford Slacks! She was a Dedicated and Loyal Member of Our Team! You needed something to get done in a hurry She was the Go To Person! To get it done!  
I ran around with her Brother Michael all the time! We were class mates in school and after school!  
I am so out of touch with all of my friends!  
To the Family Members “God Has Just Picked Another Flower For His Garden In Heaven”!  
So what we here remaining must do is to get and keep our houses in order to meet her when he calls us!  
Fletcher  
Love Always!

“ Miss Liz wore many hats during her time at Youth Middle School. She was the most welcoming and loved on all those children, especially the young ones who came over on buses from the elementary school. She always had a hug and a candy bar awaiting them. She has been missed and is irreplaceable. Our sympathies to her family.
