“ *So many memories with Ellis Wade. Lovingly known to family and friends as “Wade” and “BayRay”. He was a constant presence in my life, my siblings life as well as our kids and grandkids! He taught us how to LOVE our family unconditionally and how to have a good ole time!! It broke my heart when I received the news of his passing. I shedded uncontrollable tears. Days after, God placed upon my heart the memories, the good times (family reunions, bbq at Dads, visiting him in Athens, etc) OHHH WE HAD GOOD TIMES! I’m going to miss my cuz something serious 💔 Take your Rest BayRay 🕊*
