“ *Ms. Geneva was such a great person and shared with everyone her kindness and friendship. I and my family will miss her very much, but I am comforted that she will be with my Mother, Father and Sister.*

I have known Ms. Geneva and her family since I was a kid and my family moved to Monroe. She was welcoming to all of us, extending her friendship easily. Ms. Geneva and her family are strong enough to withstand any adversity that comes their way, even a tornado.

She will sorely be missed, but her family should know that many of us stand with them and shoulder all our loss together. Bless you Ms. Geneva and the great family that you raised.

“ Cousin Geneva's family, The Locklins, and our family, The Mapps, have always been very close. We grew up together, went to school together, and also Sunday School and church together; shared meals together, and after all these years, we've stayed close. We have laughed, loved and cried together. Now that all our parents are in heaven, we will still remain close~only the miles will separate us. Cuz Orelle, dad, mom, and Cuz G would love that! These beautiful memories of you, cousin G, I love and will always cherish in my heart 
Praying that God will continue to hold you in His care.
With love, Catherine Mapp Wilson
