“ *My brother, we were friends at first sight not realizing that we would become family. I called you my brohaminlaw but our relationship was all love. I'll miss our talks and all of the laughs that we shared over the years. I'll love you forever. Until we meet at Jesus feet I won't say goodbye but I'll see you at our home on high. LovUme! Jeane V*

“ *My Brother, Billy Dee, That's what I nicknamed him 30+ years ago. He had a Million dollar smile, style, cool and very charming. I never thought about one of my younger siblings leaving before me. I know that God has the master plan, we give glory to God for all that he has done, is still doing and will continue to do. My heart does hurt for his wife,his daughters and all of his Grandchildren, My prayers are that God will shine his grace, protective mercy with his endless love on all of them.*

John said I looked and saw the New Jerusalem ascending from Heaven. No more Pain, no More sickness, no more death

Billy Dee, My Man

Love is eternal
