This man of God will be truly missed! I will cherish the teenage memories of the times we spent at his home. He always remembered me as the one who messed up his yard trying to back out of the driveway! He was a servant of God . . . take your seat sir in the Father's house!

A life well lived. I loved Rev. Hendricks, whom I called “Pops”. You had a ministry that exceeded all the church walls because he had a ministry of true love and compassion for people. Thank you for all the love, guidance, support, and many conversations we shared. You always kidded me about being so talkative when I saw you, well I guess now with you gone; I guess I’ll have to talk to my heart because that’s where you will be. From Labor to Reward; REST WELL “Pops” from your “Valene”

“ *Reverend Hendricks, you were a rare breed. You not only lived what you preached, but you taught people how to live a life that was pleasing to God. I will forever cherish you in my heart, as you led me to Christ and baptized me at the age of four. You will always be my Pastor. I count it all joy that you have reunited with Ma Hazel beyond the sky. You preached about not giving up, loving everybody, and running on until the end, and you did just that! Macedonia wouldn't be half of what it is without your labor and love. Your legacy will live on forever. Take your rest!*
