“ I am so shocked and surprised. This was my former boss and such a bright light. We became instant friends. I could always depend on him and he on me. I am at a loss for words. Once our company dissolved, we no longer had the day to day connection but would reach out from time to time. I am so sorry that I let so much time pass us by. Again, I am at a loss for words. There will never be another like you. Miss you much BAMA!!!!

I have been thinking about Greg alot lately. I cannot believe it. I was getting ready to call his job because I have not spoke with him in almost 2 years. My heart is broken because I worked with him in 2 different places. I am so sad. Karen Grundy Williams

“ I will always remember Greg as my first intro to hospice nearly 20 years ago at Vista Care in Athens. He started calling me Mother Hospice just a few years later. Sure will miss him in this industry - few have his level of integrity and drive for the best care for every patient.

“ My thoughts and prayers are with you all during this time. I didn't get a lot of time with Greg in the Amedisys group but boy what an impression he left on me. He hired me and was the main one I trained with. He was an amazing man with a wealth of knowledge and would do anything for you. He was encouraging while making you do and think for yourself. What a gift. We got to talk about being in the Navy as well so it wasn't all work :) Many hugs to you all as I know what a huge loss this is for you. And know that if you ever need anything, The Amedisys Team is here.
Sincerely,

“ Greg was a treasured coworker but more importantly a friend. I could always count on him to not only make me laugh but also be a voice of reason. I also never had to worry when on a trip with him. He always made sure we were safe however he did complain every time he rode with me. I have missed him so over the last few days. To his family- I know he loved you all! He would share stories and his face would light up in that big smile. Thank you for sharing him with us! Many prayers are going up for you all!

“ On behalf of the North Hospice team-

Oh Greg.. how you could light up a room with your humor and presence!

Your years of commitment to Amedisys and our mission to change the way Hospice is delivered in this country, will never be forgotten. I will remember your laugh, your sleepy times, your swagger limp(cane), your brutally honest comments, and most importantly, your huge kind heart.

Condolence to the South team and to the Howard family. He will truly be missed. He was legendary and one of a kind. We love you Mr. Howard, rest easy....
