Head as we all knew her lived a long and great life. No obstacle was too tough for her. He was strong minded and what she decided she did it. She taught all who came in contact with her that with determination you can have whatever you want , you just have to work for it. No one gets hand outs. She spoke her mind and meant every bit of it. She was strong as in muscles and fit. Her legs were like a young fit female even at age 94. Aunt Head will be greatly missed. I can see her looking up at me as if to say, “Girl you better gone somewhere with that”. To the family my cousins: May God ease the pain day by day and just know that HEAD is running heaven cause she didn't take no mess. Love Mary Faye.
