“ *Condolences, my thoughts and prayers are with the family. Hattie was a very special lady and dear friend. We worked together at Loganville Elementary School for many years. We often spent time together outside of work, usually at Janice Tribble's home for food and fellowship. A special memory for me is how much Hattie and my mom got along. Hattie always had nice things to say about my mom. She will be greatly missed.*

*God bless,
