“ *I grew up with the Mills family, we were next door neighbors. I have much love for them. Miss Louise and I spent many days in the kitchen cooking while the other kids were outside playing. I loved this family then and it will never change. People you love may leave this earth but this family has a special place in my heart. Mr. Henry always had something to say because loved to talk. God allowed him to live a long and fruitful life. I extend my condolences to all of you. May the love of God rest, rule and abide with you today and always. May Mr. Henry rest from his labor, and all of you be blessed. Sincerely, Janet*

I worked with Mr. Henry for 12 1/2 years at Winn Dixie. He was always so sweet to me and always treated me with love and respect. He laughed with me, prayed for me, and shared his love with all of us who worked with him. I'm praying for your family and am thankful that because of Jesus, we'll get to see him again in Heaven. Sending hugs and love to his Granddaughter, Tiawanna. After working with Mr. Henry, I got to work and become friends with her at my next job. I love you so much, Tiawanna.
