“ I'll never forget Isaac's beautiful eyes that I swore were contact lenses for the longest time because his eye color would change. He was a gentle and kind man with a love for heavy metal music and made our camping trips fun. Please accept my deepest condolences for your family's loss.

“ Isaac was more than just a friend, he was like a brother. I've known Isaac since the 8th grade and I guess you could say we grew up together. He was one of the greatest persons that I've had the pleasure of knowing and being part of my life. He will be sadly missed not only by me, but by my kids also. You may be gone Isaac, but you and the stories that we've shared will never be forgotten. Rest in Peace. We Love You!!

Issac was my cousin and the first person outside of my immediate family I bonded with. He was always kind loving and gentle.
