“ rip rev. starks and we're praying for the family. I remember him and his kids coming to our church and the kids was singing. I guess they wasn't singing hard enough for Jessie because he stood up and yelled, what's His name and his choir would shout Jesus. after Jessie yelled that question out 3 times, those kids understood what he meant and they tore our church up. i'll never forget that, we laugh about it sometimes. he wanted those kids to put something behind that song and they did. he knew they could do it and he made them do it. we loved it. you are loved by many and will be greatly missed.

Weeping may endure for a night, but joy comes in the morning. To the family you are in our prayers. I met Rev. Starks and his family thru my daughter. I Enjoyed traveling and singing with his church family. He was a kind man and always had a smile to give you when you met him. Preach on and smile on Rev. Starks. 😊 May the Lord grant you peace.

I'm still saddened to know that such a most respectful man is gone. He always respected me when we met....I can't speak for anyone else. He would always smile and make you feel welcome in his church. And would always let me preach when invited to come.....His spirit is what I'll remember most about him. I know he's 'shaking that leg' in heaven.....Rest in peace Pastor Starks....God knows you deserve it. To the family.....you have George and my deepest condolences. God bless.
