Dear cousin, you have helped so many people throughout your journey here on this earth ! I'm so thankful to have known you and worked for you the first year of my teaching experience ! We then went on to plan many (Flanigan) reunions together! We laughed a lot and I learned a lot from you! The years passed we both grew older but you always in my thoughts ! You gave me first teaching job! I'm thankful I had such an encouraging, supportive , principal , cousin! Take your deserved rest! Grateful cousin ! Elizabeth Flanigan Jones !
