“ I'm so sorry for your loss. Jay was a good friend of mine since high school. We stayed in touch thru the years. I last spoke to him on July 1st. He was loving life and loving his job. I know he wanted so bad for a normal life, I'm myself in recovery, it's all we ever want..I loved Jay and was looking forward to watching him get his life back. But God had other plans. RIP my friend.
