“ Joe has been a dear friend to both of us for many years at Delta Air Lines. When all of us retired, we shared greeting cards to stay in touch. Always Joe remembered the importance of friendship, sending us Christmas cards, birthday cards, mother's day cards, Father's day card. He was a special friend. May his family be at peace with his transition and forever feel his spiritual presence. Walter and Ida Tate

Joe Sam was like a brother to me. I met him at Benedict College back in 1964. We clicked immediately. He had a loving and sweet demeanor, gentlemanly at all times. He always sent well wishing cards for every holiday. Joe Sam, or Coffea, will be sorely missed. My heartfelt condolences and prayers go out to the family during your time of grieving. May GOD provide you with the strength needed to endure the heart ache. To GOD be the glory!!!

“ I met my friend Mr. Coffea at Delta in 1977 at the old airport, played couple pick-up basketball games at the College Park gym. We talk about old high school basketball games in Brooklyn, NY and playoff games in Madison Square Garden. We had plenty interesting conversations over the years. I will visit the family in my thoughts and prayers..

*My utmost condolence and prayers to the entire Coffea family. I worked with Joe(Rev.) for the majority of my airline career at Delta. And during our tenure he remained the quiet, professional, neat and no none sense man. I will miss his politeness, beautiful cards for all occasions, distinguish voice and caring friendship that I will always cherish.*

*I met Joe in 1991 When I came to the Substance Testing Department at Delta Airline. Throughout the years we developed a good working relationship. Joe was very easy to work with I could not have ask for a better coworker than Joe. I will always remember his caring and thoughtful ways and all the cards he would send to me and my family. Even after retirement we stayed in touch. I will surely miss him. I pray that God will continue to be with his family .*

*Long before Joe joined STP, we would run into each other at Delta and have a quick conversation about running. But it was only later that I came to really know Joe. I remember him as one who never met a stranger and was loved by everyone. He was a man who truly lived out his faith.*

*I have such fond memories of "Joe" while I was employed at Delta Airlines. He was a man who unabashedly shared his faith and was admired by many. I recently came across one of the many Christmas cards he sent and now will proudly display it as I remember a friend and a man of faith. You have earned your wings "Reverend Coffea". Fly high and Godspeed!*
