“*Julia was a beautiful person, I just learned of her passing through face-book, which upset me very much. We always talked and shared good times of our family. She prayed and gave me strength when I lost my husband Henry, she was very supportive like a sister I will never forget that. My husband , children and I was at her daughters wedding (Jennifer). It leaves me with great pain of finding out she is gone. I feel helpless that I wasn't there during this time. My prayers and strength go out to Jennifer and her family.*

“The Burgess Landrum School, class of 66 is deeply saddened by the death of Julia Thomas-Jackson. She will be sorely missed by the entire BLS alumni. She was an integral part of the class of 66. She was selected by her classmates to be the keynote speaker for the BLS 50th reunion. She was loved and highly respected by all classmates. As classmates, words cannot express our deepest sympathy. We are so very sorry for the family's loss. We will keep the family in our thoughts and prayers. May God's blessings be with the family always and forever.

"It takes a minute to find a special friend, an hour to appreciate them, and a day to love them, but it takes an entire lifetime to forget them".
