“ *To Ken, Ryan and Austin Harris:*

Wanted you to know we love you and we have you in our prayers. Please remember to value the great times you all had together and what she taught you as a mother. Karen was very helpful, kind and considerate person to her immediate family and as well as others. What a great cook and care giver she was, she was the kind of person you would want on your team. God is able to help you through all things.

Please let us know if we can help you in any type of way through this process.
