“ I dearly miss my cousin who was loving and faithful until the end. Like so many of your friends it is hard to say goodbye to an Angel on Earth. We will see you again. Rest in Paradise

“ To the family and close friends of Konita, my thoughts and prayers are sent to you in this time of comfort. Konita most definitely made an impact on the hearts of many who became in contact with her and if there is one thing I will forever keep in my heart, it would be her smile. It entered before she did and that is because there was so much pure love inside of her. She will be sorely missed.
