“ My ❤️ is so sad right now words can not express. You were my first love, my husband, and the father of my children. we both were young when we met, and became parents to 3 beautiful children, we also had our ups and down, but through it all GOD gave us his strength and brought us through every time. We also shared many good times together and we both forgave each other of our mistakes in life. You were not perfect niether was I but you was always provided ,and ,loved me and your children ,and you had a generous and loving heart. You always and forever the song you use to sing to me All the time be in my ❤️. RIP your ex wife Cynthia love you always.

“ RIP DADDY!!! You was a GREAT father to me from a infant to a adult. Even though my real father passed away you treated me like your own son and always showed me love. I will always have you in my ❤️ forever. Love your stepson Kendrick
