“ I met Leonard approximately 3 years ago at Newton County's Board of Commissioner's meeting. We became friends and would also meet at the Board of Education's meeting. Together, we would voice our community concerns at these meetings. Through it all, I learned that Leonard sincerely loved his family and community. I will certainly miss our talks and laughter.

“ *Leonard and I became acquainted as he passed our home on Wisteria, and as my wife and I encountered him during our walks past his home. I learned of his sports involvement with youth, and sensed his open, friendly attitude. Leonard will surely be missed from adding his warm glow to the neighborhood. Our sympathies to the family.*
