“ Lillie was very dear to me, she offered me some the most practical advise in raising a child and I will be forever grateful for that wisdom. She was always sincere and I love her and she will be dearly missed, but only for a little while. May all her family take comfort in the words found at 1 Corinthians 15: 54b, 55. Amelia and Tommy we love you both, wait just a little while longer and it will be as yesterday and you will be welcoming Lillie from her brief sleep. (John 11:11-14)

“ *If Lillie Robertson ever had a bad day, you'd never know it. As a co-worker at Parkview High School, Lillie was forever dependable and steadfast in her duties here and always accompanied with a warm smile. Her absence on campus for the past year has been noticed on a daily basis and her farewell from this earth will be accompanied with a chorus of angels. Miss Lillie will forever be remembered with fondness by her Parkview Family.*

My thoughts and prayers are with the Robertson family for the loss of such a special person. For more than 10 years I was privileged to wake up each morning, arrive at work and always see a smile on Lillie's face. At Parkview High, we opened the school together and I cherish those days. "Miss Lillie" was the sweetest person and her kind ways made people want to be around her. Lillie did not complain about anything and was always willing to help others.

I will miss seeing her but know she is always her at heart.
