“ Miriam & family,
During moments like these, words often fall short of expressing the depth of sorrow. Please know that my thoughts are with the entire family. May you find strength in the love and cherished memories you shared with Linda. Wishing you peace and solace during this difficult time.

Linda I will miss you, your smile and your laughter. I will miss you on Valentine's and Mother's Day. I couldn't wait to see what you would make for these special occasion. Your work were beautiful and it kept me broke. But mostly I will miss stopping by your house just to hang out. I truly love you and all the goodness that you did for everyone that cross your path and needed a little helping hand. Your heart were filled with helping other people and just being so kind to people. Jackie Dillon.
