“ *Lonnie, you were the most amazing person. You changed my outlook on life. You showed me hard work, passion, and focus. Our life was one few could imagine. You were driven to be the best and nothing would stand in your way. When I met you, your purple prism was the thing you spent the most time in and when you past you had achieved what many only dream of. My heart hurts over your loss but I am so thankful for being blessed to have you as a partner for 9 and a half years. I love you and miss you so much, Philip*
