“ *Mr. Solomon was a dear friend. I will miss our conversations and ongoing attempts to solve the world's woes; his tales of his precious granddaughters (he was so proud of Ced and his family); and the way he cared for Sonny, our office cat. His love of God and all people was beyond compare. I will never forget his wise counsel. I am a better person because I knew him and our office will never be the same. Go with God, Mr. Solomon.*
