“ *To the family of my dear friend Runell I already miss her. I almost picked up the phone to call her as I always do. I can't explain the sadness I felt when I realized that, I can't call her anymore. We talked a little bit while she was still in the hospital. The saddest part of that is I didn't know it was our last goodbye. So I say to you grieve if you must , I want you to know that she's resting now but she's awaiting the resurrection.*
