“ I just recently learned that Apostle Mary N. Weaver had passed. She was a strong woman of God. She would let you know right away she was from Texas, originally. She is also, who told me about the meaning of “Juneteenth”

Celebrations in Texas, and it's historical significance. When I served as The Founder, & the very First President of The Newton County African American Council for the Arts, & she was our Vice President, we had our First ever Juneteenth Celebration here. It was held at Rainbow Covenant Ministries in Porterdale, Georgia. Pastor Clara Lett agreed to let us use her church, who also joined our Arts Council. Later, St Paul A.M.E Church began to have Juneteenth Celebrations, under the direction of Freda Reed. After The Newton County African American Council for the Arts was founded & organized, The Newton County Preservation of Black Heritage Organization was founded many years later, under Forest Sawyer. Mary Weaver served faithfully as the Vice President, and helped me, & others, with so much. She had a very big smile. Mary was a big contributor to our Annual Youth Summer Feeding Program at the historic Bethlehem Baptist Church in Covington , Georgia, as I served as its First Organizing Executive Director. I will never forget her big smile, and her dedication to whatever, she was asked to do.

Mary will be missed. She loved our holy God!

Thank you, Mary Weaver. God is still our Holy leader! RIP 🙏💕💕💕
