“ *To the family of Michael R. Leftwich, my cousin, so sorry that I could not be with you during his celebration/homegoing service. Please know that you are in our prayers. During the Dow Family reunions, he was always one that would make you laugh. We both share that "gap" in our front teeth that we were proud of having. We laughed about it. The gap just added on to his smile. Love you family, James A.G. & Joyce Dow Harris in Washington, DC.*

*Picture of Mike when he worked at APCO back in the 80's. Mike was a great guy. I still remember him singing at a company Christmas party. Best singer there. God Bless his family at this difficult time.*

“ *Michael and I grew up and went to school together in Beckley Wva. I moved to Ga and didnt know he too lived in Ga. About 2 hrs from me. I have a gospel group and somehow one sunday at a groups anniversary, I was singing. And I noticed this man was all into the song I was leading. At that time I didnt know it was Michael. So after finnishing the singing and sitting down, this same man came runing across the church with arms wide open and said "Christine" It was Michael. What a small world. We kept in touch in our love for singing. Rest on my friend. I will miss you. Love to you and wife and family.*

“ Whenever I saw Michael he always had the biggest smile ever. The last time I saw him was here in Beckley about 5 months ago , I spoke to him, he gave me that big smile and turned around and around. He was so happy! He was a friend and a classmate of mine and it's hard to believe and very sad that he has left us so soon! But rest in peace my friend until that Great Getting Up Morning when we all will see you again!

“ *To the Family,  
Michael will truly be missed. We have not known him long (a little over a year), but I can truly say that he was a kind and Godly man. When we saw him there always was a smile on his face, feeling well or not. Please know that our Prayers are with you in this time of sorrow. Do not hesitate to reach out to us. May God continue to give you “his grace” as you say farewell to your love one. I can see Michael singing “God’s Grace” as his personal testimony. That same Grace will sub stain you for ever more. Hold on to each other and God’s unchanging hand.*
