“ Mike Mathis was truly an awesome human being. He was kind, genuine, and full of heart. His gentle spirit touched so many lives, and his presence brought warmth wherever he went. Though he's no longer with us, his love and light will live on through the memories and kindness he left behind. Rest peacefully, Mike. Heaven truly gained a good one. ☐

“ Sending love to the family. Michael was a very loving and respectful young man. He was my son that I loved at a young age. He had an infectious smile that would light up any room. My heart was broken when I heard of his passing. He is now resting in the bosom of God. Forever in our hearts.
