“ Although we didn't get the chance to reconnect, when I heard of Michelle's passing I cried for your loss as well as mine. My fondest memory is from elementary school in Mrs. Hollis' class. There was Michelle, Barbara, Sandra and myself. We were so enthralled in our conversation that we didn't notice the teacher screaming at us to get our attention. I don't remember the conversation but we didn't hear a thing but ourselves.

*I have always considered Michelle a genius. She was very smart and we were always laughing about something. I am so sorry for your loss and I pray that in time the Lord will give you peace and comfort and many good memories. May God bless your family.*

“ *To a Special Sister*

*A sister is one of the nicest things  
that can happen to anyone.*

*She is someone to laugh with and share with,  
to work with and join in the fun.*

*She is someone who helps in the rough times  
and knows when you need a warm smile.*

*She is someone who will quietly listen  
when you just want to talk for awhile.*

*A sister is dear to you always,  
for she is someone who is always a part*
