VR

“ *A beautiful lady and teacher. One of the wonderful mothers that lived in Valdosta, GA. During my years in Valdosta during the 70's, I can say we as young kids never appreciated how great we had it with such wonderful, nurturing adults around us. It is only now and the way things are with this world today that we find ourselves thinking what a very beautiful time we lived in. Take your rest Mrs.Morris. Job well done.* ”
